

Resonance — The Future Finds You

- 25 years ago, I set foot in the Baltics by coincidence.
- 17 years later, I met his daughter by chance—now my wife.
- 2 years after that, he died. His final act? Sending us this mystery.
- Four years later, here you are... in this room... with me.
- Is it fate? Karma? A resonant wave? All I know is: we're inside it now.
